NOTICE INVITING QUOTATION

(DATED : 11.03.2026)

The undersigned is to invite all the bonafide, resourceful and experienced agencies to quote the rate of supplying, fitting, installation, testing & commissioning of High Speed Pedestal Fan & High Speed Wall Mounted Fan at the office of the Transport Department, Govt. of West Bengal located at Paribahan Bhaban-I, 12, R. N. Mukherjee Road, Kolkata- 700 001, as detailed in the following table :

Sl. No	Description of article	Quantity
1.	<p>Supply, fitting, fixing, installation, testing & commissioning of High Speed Pedestal Fan:</p> <p>Technical Specifications:</p> <p>❖ Type: High Speed Pedestal Type Fan with adjustable stand. Sweep Size: Minimum 400 mm / 450 mm blade sweep. Motor: High efficiency single phase, 230V, 50Hz AC motor, copper winding with thermal overload protection for long and reliable operation. Blades: Minimum 3 aerodynamically balanced aluminium blades designed for high air delivery and low noise operation. Speed Control: Minimum 3-speed control mechanism with smooth operation. Oscillation: Automatic oscillation facility with manual control for directional air flow. Height Adjustment: Adjustable pedestal stand with strong and stable base. Safety Guard: Heavy duty powder-coated metal safety guard on both sides for protection. Finish: Corrosion-resistant powder coated body suitable for long service life. Power Consumption: Energy efficient motor with optimized power consumption. Accessories: Complete with power cord, plug top, mounting hardware and necessary fittings. Warranty: Minimum 1 year manufacturer warranty against manufacturing defects.</p> <p>The rate shall include complete supply, fitting, fixing, installation, testing and commissioning of the pedestal fan along with all required accessories, wiring connections and necessary hardware for proper operation.</p>	20 Pcs. (twenty)
2.	<p>Supply, fitting, fixing, installation, testing & commissioning of High Speed Wall Mounted Fan:</p> <p>Technical Specifications:</p> <p>❖ Sweep Size: 400 mm / 450 mm (approx.) Type: Wall Mounted High Speed Fan. Motor: Single phase, 230V, 50Hz AC supply, copper winding motor with thermal overload protection. Speed: High speed operation with minimum 3 speed control. Blades: Aerodynamically designed aluminium blades (minimum 3 blades) properly balanced for smooth and noiseless performance. Guard: Powder coated strong metal safety guard on both sides. Oscillation: Automatic oscillation mechanism with manual control. Mounting: Heavy duty wall mounting bracket with tilting arrangement for adjusting air direction. Air Delivery: High air delivery suitable for large rooms and working areas. Finish: Corrosion resistant powder coated body. Power Consumption: Energy efficient motor with low power consumption. Warranty: Minimum 1 year manufacturer warranty.</p>	01 Pc. (One)

Rates to be quoted based on the market price. The quotationers should submit the following certificates with the quotation :-

1. Valid Trade License
2. Valid PAN Registration
3. Valid GST Registration

The Quotation paper shall be submitted in sealed cover within **16.03.2026** by **03.00** p.m. at the tender dropping box kept in front of the Accounts section of WBTIDC Ltd. and the same shall be opened at **3.30 p.m.** on **16.03.2026** at the Office of WBTIDC Ltd., E.M. Bye-Pass & Rashbehari Connector Intersection, CTC Kasba Depot Compound, Kolkata – 700107.

Payment shall be made on completion of items to be supplied in good condition. For this purposes bills in triplicate should be raised addressing to the Joint Managing Director, WBTIDC Ltd.
